

THE MAJOR/CAREER EXERCISE: WHAT'S THE CONNECTION?

This exercise is intended to show you the wide range of careers within and across majors. Most majors lead to a wide variety of career possibilities. The examples below are the actual majors and careers of alumni that have volunteered to serve as career resources to students as part of FriarLink, the Providence College Alumni-Student Career Network.

For each group below, indicate which subject the alumni majored in. Use each major only once:

Psychology | English | Management | Biology | Political Science | Humanities
